

**Visit of Honorable Union Agriculture Minister, Shri Radha Mohan Singh,  
Government of India to NSRTC, Varanasi**

Honorable Union Minister of Agriculture, Government of India, Shri Radha Mohan Singh, visited the National Seed Research and Training Centre (NSRTC), Varanasi on August 13<sup>th</sup>, 2018.

Dr. Arvind Nath Singh, Director briefed about the NSRTC functioning and importance of CSTL to maintain the quality of seed across the country. Hon'ble Minister appreciated the NSRTC for remarkable contribution in agriculture and farmers welfare. He offered suggestions for improvement of centre as NSRTC is working on very important national mandate and to ensure the quality seed availability. He embarked his visit with the tree plantation in the NSRTC campus.
